Selene Sears presents: A recipe for your enemy! Hee hee!

Ingredients
- self-raising flour
- eggs
- vanilla essence
- an old shoe
- bread crumbs
- a few spiders
- some dead snails

Pour everything into a mixing bowl.

Make sure to break the eggs and to add in the egg shells. Mix everything thoroughly and let the mixture settle overnight.

The next day, pour everything into a balloon. Give it to the person you hate the most. When he's not looking, burst it with a needle and watch his expression.

Oh! And make sure to do it when you won't get caught.
Or be sure that you can run away as quickly as possible!

DON'T FORGET TO GET AT LEAST 8 HOURS OF SLEEP EVERYDAY.

STAYING UP PAST 12 A.M. IS BAD FOR YOUR HEALTH.

SLEEP IS BAD FOR YOU

DON'T FORGET TO SLEEP JUST 5 HOURS A DAY AND SPEND YOUR TIME PLAYING GAMES, READING MANGA AND FAILING YOUR GRADES.

STAYING UP PAST 12 A.M. MAY BE BAD FOR YOUR HEALTH BUT IT DOESN'T MATTER AS LONG AS YOU'RE HAPPY, RIGHT?

NOW MAKE A CHOICE BETWEEN THE TWO!

DON'T TRY SUCH DANGEROUS THINGS!!!
UM...
BUT SEEING HOW FAR YOU WENT OFF THE LINE...
YOU MUST HAVE NO LUCK WITH GUYS.
